

Every Second Counts

Be prepared with
First Aid Training

heartandstrokenb.ca

Heart&Stroke
Cœur+AVC TM/MC

New Brunswick / Nouveau-Brunswick

Emergencies happen anytime, anywhere.

From workplace safety to unexpected incidents at home, our courses are custom designed with you in mind. **Our Comprehensive first aid training doesn't just teach you how to react – it empowers you to take control of any situation.**

The Heart & Stroke Difference

With Heart & Stroke you are guaranteed to have the most up to date curriculum, teaching techniques, and course material all while in a fun learning environment. **Our course certifications are recognized nation-wide and all proceeds are reinvested back into New Brunswick in areas such as research and programming.**
